## Spring 2003

Volume 36, Number 1

Published by the Santa Clara Vanguard Booster Club

### 2003 Season Underway

The 2003 Season is officially underway! It started on Friday, November 29th at 4:30pm at Mission College in Santa Clara, CA. Potential members of the Santa Clara Vanguard (Vanguard and Vanguard Cadets) made their way to Santa Clara, where it was warm and sunny most of the weekend.

The audition camp had 390 people attend - 155 Brass, 135 Percussion, and 100 Guard! On Sunday of the camp, when attendance was at its highest point, lunch was served to approximately 450 people within one hour! This number included the staff, support staff, as well as some of the people who attended the parent meeting.

The horn line also learned two pieces of music over the weekend - "Appalachian Spring", a piece they will be playing throughout the year, and the opener for the 2003 show, "Orawa" by Wojciech Kilar.

Congratulations and thanks to everyone who participated in the beginning of the 2003 season!

### "Children's Adventures in Movement" Continues into 2003

Carol Abohatab, Special Projects Coordinator

Santa Clara Vanguard's "Children's Adventures in Movement" (CAM) completed its first year with the 10-week Fall Session, which ran from September 4 through November 9, 2002.

Two new classes, Hip-Hop/Jazz for 10-12 year olds, and Ballet/Tap for 4-5 year olds, made their debut in CAM's sixth session along with teacher, Diane Corbett.

Even with the economy's current downward trend, on January 18, 2003, the opening day for our Winter Session was considered a success with classes filled or close to capacity. The sounds from A-Corps camp (next door), that just happened to be running that weekend, piqued the interest of several of our young dancers. As the parents waited for their kids to finish class, they watched the various sections rehearse. Before leaving, several parents asked about the music and Color Guard programs for youth and were given brochures about drum corps.

The issue of decreased enrollment has affected the CAM program just as it has many of the dance studios in the area. Searching for an alternative solution, we looked into the possibility of forming some sort of outreach partnership with the Santa Clara Unified School District.

Ann Watts is the Director of the two-year-old Starting Arts Program, which under a restricted grant, allowed for an arts program to be implemented into a pilot school. Currently being offered in six elementary and two middle schools, this program offers Dance, Theatre, Music, and the Visual Arts to kids during and after school. Ms. Watts was excited to learn about Vanguard's programs - Drum & Bugle Corps, Colorguard, and Dance - and we have now formed a partnership between the two groups. As the Santa Clara Vanguard organization becomes more active in the community, this could also lead to better grant prospects.

## Bay Meadows Wrap-up

Maya Salvucci, Volunteer Coordinator

Sunday, October 27th, the SCV Alumni held its fifth annual fundraiser at Bay Meadows. More than 20 people attended this event and had a lot of fun.

This year, Linda Kimball drove us up in Bus 1. On the ride up, we indulged in some breakfast goodies – just to hold us until we got up there. As always, we had a wonderful view from the Turf Terrace Club and the food was great too! Good friends, good food, good fun ... all in all, a great time!

## Volunteering & Donations

Maya Salvucci, Volunteer Coordinator

It's that time of year again! The 2003 season for Santa Clara Vanguard has begun and we need your help. Rehearsal camps have started and we need a few more people to help set up on Fridays and breakdown on Sundays.

We're also trying to reduce our spending while still providing healthy, well-balanced meals for our kids during camps and on tour. Please call **1-888-640-1086** if you can make **any** kind of donation towards any these meals.

Also a reminder that Vanguard Bingo, SCV's primary source of income, has a HUGE need for volunteers to work the Tuesday, Friday, Saturday evening sessions as well as the Sunday afternoon sessions. If you can help us out once or twice a week or even just a couple days a month, contact us at **1-888-640-1086**. Thank you – we appreciate any help you can give us!

## Vanguard Percussion

Murray Gusseck, Vanguard Percussion Caption Head

Greetings and Happy New Year to everyone! Things have been very busy for me lately in my new role as percussion caption head for the Vanguard. So far, our main focus has been assembling the staff and corps members. The staff members for this year include: Jim Ragsdale, Hunter McRae (new), Jon Steele (new), Armando Olivares, Jim Ancona, and Chris Retschulte.

Jim Casella will continue to write the drum book and occasionally do some teaching. In addition, Ralph Hardimon and Glen Crosby will again be joining the corps as consultants during the season. Everything positive that happens with regard to the percussion section is a direct result of these people and the extreme talents they bring to our corps. I'm deeply honored to be associated with them.

From the members' side, I can honestly say that I have never been more excited about the potential of this drumline. We recently completed our last audition camp and had some very difficult decisions to make for the 2003 season. A pleasant surprise has been the quality of the auditions from our Cadet members. Many of them are good enough to be in the program. Last year's drumline made some really incredible steps as players. Watching the battery warm up before the finals performance was as good as I've ever seen it - better in many respects. The pit was also at the top of their game, as they have been for many years.

Each section of the percussion program is ready to go up two or three levels this year. This is very exciting! I have made the decision to return to having a winter program for the battery, which will add to our momentum by giving us weekly chances to play together, get to know each other, and have fun. Cheers...

## Vanguard Cadets Percussion

Dave Dilullo, Vanguard Cadets Percussion Coordinator

The Vanguard Cadets drumline is off to another great start this season!

We had a tremendous turnout during the November audition camp and the January camp, upwards of about 45 percussionists. Some of the best young people in the state trying out for the drumline. We're seeing backgrounds in marching percussion, symphonic percussion and a few even have world drumming experience. Some play other instruments, as well - Chris Harkins is an avid Ukelele player, and Roel Cordero is in the Stanford Taiko ensemble.

A key element to a successful program is our great staff. New to the pit staff this year is Nate Bourg and Aimee Lallana. Nate is the pit arranger, and just finished his fourth season in the Vanguard pit where he was the section leader. Aimee, another

alumni who just finished her final season, received the Mike La Porta percussion award.

Also new to the staff is Kohei Mizushima, another Vanguard veteran. Nate, Aimee, and Kohei, each active in the local percussion scene, are sure to add much to this year's program!

Returning to the staff is Jon Oglevee who is an essential resource for us since he can teach just about anything. Jon also has his own successful track record in the high school band circuit.

I'm looking forward to a great season, and I hope to see everyone at our shows this summer.

On a side note, congrats to the members from last year's percussion section who have made it so far in the 2003 Vanguard drumline!

## Vanguard Director's Report

Rick Valenzuela, Vanguard Director

Welcome to the Vanguard report. Time is really flying by – so far, the corps has completed three camps. The next camp will take place on March 7th – 9th. We will be taking the field during the camp, so come by and see how the show is shaping up.

Speaking of the show, the 2003 edition of the Santa Clara Vanguard will present a visual and musical journey entitled "Pathways." The program will highlight a visual labyrinth of intrigue that showcases the music of Wojciech Kilar, Jeff Beal, and Richard Danielpour. The program includes: "Orawa" by Wojciech Kilar, "One Man Show" from "Pollock" by Jeff Beal, and "Anima Mundi" by Richard Danielpour. The entire brass musical book has already been written and handed out to the corps members. The percussion music for the first portion of the show was given out in January. The show is coming together very nicely, and we're looking forward to putting it out on the field.

If you didn't get a chance to catch last year's show, the best way to view it now is on DVD! You can purchase the 2002 35th Anniversary DVD showcasing the three SCV Corps' performances (Vanguard, Vanguard Cadets, and Alumni Corps) at the DCI Championships in Madison, WI. This is a great collector's item! Visit the website and order your copy today!

This year, DCI Championships will be held in sunny Orlando, FL. Some of you might remember, this is where the 1996-1998 championships were held. Our road to the championships is being finalized as we speak, so check out [www.scvanguard.org](http://www.scvanguard.org) to find out where we'll be heading this season.

Getting to that final day in Orlando seems so far away right now. There's still so much to be accomplished before then – such as drum major auditions.

Thank you to the superb group of men and women who stuck it out through a very challenging audition process. You all did a fantastic job! I would like to welcome our newest drum major, Luis Saldaña, who will be joining our returning drum major, Stuart Shulman. Editors Note: See page 8 for a short biography of both Stuart and Luis.

If you're a 2003 member, please start scheduling to work your bingos **now**. It's VERY important. If you're not a member, but would like to help, you can also volunteer at bingo (call 888-640-1086 or e-mail [volunteer@scvanguard.org](mailto:volunteer@scvanguard.org) to sign up). The credit for that session may be credited to any member who needs the help.

If you're interested in going on the road with us as a volunteer, please feel free to email me at [rvalenzuela@scvanguard.org](mailto:rvalenzuela@scvanguard.org).

Come out and join us! We can always use the help, any time from now through the end of summer. I'm looking forward to another great Santa Clara year!

## Vanguard Cadets Director's Report

George Brown, Vanguard Cadets Director

Hello and welcome to the Vanguard Cadets Corner. I hope your holiday season went well! It's a wonderful time of the year to share and spend time with friends and family. By the end of 2002, we were well underway for the 2003 corps season.

We started with a combined Vanguard and Vanguard Cadets Audition Camp during Thanksgiving Weekend, November 2002. Approximately 400 hopefuls attended our event. Throughout the weekend, attendees were evaluated and placements were made to both corps. On Saturday evening and Sunday during the day, the Vanguard Cadets had their first rehearsals during the camp. The turnout and placements for the Vanguard Cadets were great, approximately 25 guard, 30 for the brass and 40 for the percussion line came to the camp. Then there were placements from the Vanguard to each section. The results were very positive and I would like to thank everyone who helped at the audition camp. All of you made it a great success and a positive presentation of the Vanguard organization!

In December, the 2003 performance season began with the Vanguard, Vanguard Cadets and Alumni appearing together at the San Jose Holiday Parade, the Santa Clara Christmas Tree Lighting and a standstill at the San Jose Christmas in the Park. The weather was great for all of these performances and we played to some record-setting crowds. Many thanks to everyone who participated in and helped out at these performances.

The Vanguard Cadets are currently holding weekly rehearsals every Sunday afternoon for all sections and Wednesday evening sectionals for the Brass and Percussion. Please make sure you

George Brown meeting with members after the January Camp call the information line at 408-727-5591, ext. 53 for details on the rehearsal times and locations. There are still openings in the Vanguard Cadets for all sections, so spread the word! You can bring all interested parties to any of our rehearsals. We have the equipment and staff resources needed to work with anyone, from the novice to the experienced.

TO THE PARENTS AND BOOSTERS, if you'd like to get involved and help with any part of the SCV organization or either of the Corps programs, please contact any of the chairs listed in the Vanguardian. Any support you can offer for the upcoming season, no matter how big or small, is essential to the success of our Corps and the SCV organization. I'm looking forward to a great drum corps season. **Remember:** it starts with your involvement and support!

## The History Behind The \$1 Bet of 1970

PHOTO COURTESY DAN VANNATTA

Framed alongside a picture of the Troopers sits the actual dollar bill from the infamous bet in 1970.

Recently posted on drum Corps International's website, we have decided to share the history of the \$1 bet. This framed dollar bill (left) was won in a 1970 bet the Vanguard had with the Troopers, and it still hangs in the Vanguard hall.

A plaque at the bottom of the framed bill reads:

"Dollar bet won in 1970 for beating the Casper Troopers for the first time and winning the North American Championship in Milwaukee. It was signed by the Vanguard members upon losing it the next night in Madison, Wisconsin. Originally signed by Jim Jones and Gene Monterastelli. It has now been brought back to Santa Clara for once again defeating the Casper Troopers."

The guys that initialed this bill read like a who's who of drum corps. Besides Jones (founder of the Troopers, DCI Hall of Fame member) and Monterastelli (former Trooper instructor, former DCI judge, DCI Hall of Fame member), other names on it include Wayne Downey (Blue Devils horn arranger, DCI Hall of Fame member), Dan Vannatta (Santa Clara Vanguard General Manager), Mike Moxley (former Blue Devils director, DCI Hall of Fame member) and Tim Kelly (now a scout with the Anaheim Angels).

## Meet the 2003 Vanguard Drum Majors

During the January camp, six candidates auditioned for the coveted drum major position for the Santa Clara Vanguard. The announcement was made late Saturday night - Stuart Shulman is returning as drum major and will be joined by Luis Saldaña.

Luis Saldaña, 20, is beginning his fourth year with SCV and is currently a junior at the University of North Texas where he is pursuing a Bachelors Degree in Music Education. Born in Laredo, TX, Luis spent the 1999, 2000, and 2002 seasons in the euphonium section. Luis is very excited and honored to accept the position of drum major for the Santa Clara Vanguard.

Stuart Shulman, 19, is a freshman at the University of Arizona where he is working towards his Bachelors Degree in Music Education with a strong emphasis in tuba performance. Stuart is beginning his third year with SCV, second as drum major, and was in the tuba section in 2001. Stuart is extremely excited about returning for the 2003 season and is looking forward to a great season.

CAM, from page 1

What's in it for Vanguard? In a time of economic hardship and educational cutbacks, having the name Santa Clara Vanguard ("SCV") associated with education and outreach to the community can only enhance our reputation and increase the visibility of CAM's program efforts. By providing a facility for one of the school district's arts program, we can expand our outreach efforts to the hundreds of children participating in the Starting Arts Program community. SCV is now considered a sponsor, along with other non-profit organizations and our web link appears on their website at [www.startingarts.com](http://www.startingarts.com).

It was exciting to see the children and their parents' fascination in what goes on at SCV! The rehearsals for the Starting Arts Program's show "Heroes", to be held at Sun Microsystems, went very well. The participants were overwhelmed by the facilities and very grateful for SCV's generosity!

## Thank You For Caring ...

At a time like this, no words can express our gratitude for the outpouring of support we received from our Vanguard Family. We would like to thank each and everyone for your cards, prayers and for everything you have done for us and for our son Joseph (Joey, SCV Alumni) and his wife Christine and daughter Alyssa.

Thank you for all of your help at the reception following our grandson's Nicholas funeral. We pray no one ever has to experience a tragedy like this.  
God Bless each and every one of you.
