Legacy Society

The Legacy Society recognizes alumni and friends who commit to VMAPA through a bequest, beneficiary designation or other deferred gift. Through their generosity and foresight, members play a vital role in securing the future of VMAPA. Just as Gail Royer, the first corps director did, Society members are laying the groundwork for the future of our great organization.

Membership in the Legacy Society is open to individuals and couples who would like to ensure that VMAPA continues to thrive for generations to come through a variety of estate planning tools. Membership offers opportunities to be more fully engaged with our programs and fellow Royer Society members.
